Here are entered works on combinations in re-
straint of trade in which independent business enter-
prises formally agree among themselves to control or
limit output, prices, and/or markets so as to achieve
monopolistic power. Works on combinations in
which stock ownership is transferred to trustees, who
in turn issue trust certificates and dividends and who
attempt to achieve monopolistic control over output,
prices, or markets, are entered under Trusts, Industri-
al.

Choruses (Continued)

Here are entered collections of sacred and secular choral compositions for various groups of voices (men's, mixed, women's, etc.) both accompanied and unaccompanied. The heading is also qualified as appropriate in the following order: 1) voice grouping; 2) number of vocal parts when 8 or fewer (included only in headings without specification of accompaniment, with specification of accompaniment for a solo instrument, for 2 keyboard instruments, or for continuo, and with the specification, Unaccompanied); and 3) specification of accompaniment or the specification, Unaccompanied. Textual works about choruses are entered under the heading Choral music.

— Unity

Here are entered works on unity as one of the "marks" of the church. Works on prospective and actual mergers within and across denominational lines are entered under Christian union. Works on a movement generally dated from the Edinburgh Missionary Conference of 1910 to the formation of the World Council of Churches in 1948 for the purpose of church cooperation and unity are entered under Ecumenical movement. Works on religious activities planned and conducted cooperatively by two or more Christian sects are entered under Interdenominational cooperation.

 [JV]
 Here are entered general works on colonies and colonialism, subdivided further by Africa, America, Asia, or Oceania, if appropriate. Works discussing collectively the colonies ruled by a country or other jurisdiction are entered under the name of the country or other jurisdiction subdivided by Colonies, e.g. Great Britain—Colonies. Headings of the type [country]—Colonies may be further subdivided by the regions and topics that appear as subdivisions under Great Britain—Colonies.
 Works on the colonial period of individual regions or countries are entered under the name of the region or country with appropriate subdivision, e.g. India—Politics and government—1919-1947.
 Works on the influence of former colonial policies and structures on the existing institutions of former colonies are entered under the current name of the particular region or country with subdivision Colonial influence.
 Topical subjects subdivided by place may also be subdivided further by Colonies, e.g. Education—Great Britain—Colonies.

Computer simulation (May Subd Geog)
[QA76.9.C65]
Here are entered works on computer-based simulation of systems and processes, involving the formulation of a mathematical model, its conversion into a computer program, and execution of experiments with the computerized model for the understanding, evaluation, or design modification of the system or process of interest.

 Here are entered collections of concertos for vari-
 ous instruments. Concertos for particular instruments
 or for full instrumental ensemble (more performers
 than there are musical parts), are entered under the
 heading followed by the qualifier for the solo in-
 strument(s) or the ensemble, e.g. Concertos (Piano);
 Concertos (Bassoon and clarinet); Concertos (Or-
 chestra). For works for solo instrument(s) and ac-
 companiment other than orchestra, the full medium
 is expressed in the qualifier, e.g. Concertos (Flute
 with string orchestra); Concertos (Trumpet with
 band).

Here are entered works on the art of cooking, as well as works which consist of collections of recipes. Works on the cookery of special places are entered under Cookery with local subdivision. Works on national cuisines and styles of cooking are entered under headings of the type Cookery, American, [Chinese, etc.], which may be further subdivided to designate regional styles, e.g. Cookery, American—Southern style; Cookery, Chinese—Szechwan style; etc. Works which discuss an individual style in a specific locality are entered under two headings, one for the style and one for the locality, e.g. 1. Cookery, American—Southern style. 2. Cookery—Georgia—Savannah.

 Here are entered works discussing pidgin lan-
 guages that have become established as the native
 language of a speech community. Works discussing
 lingua francas which are native to none of those using
 them and are characterized by a simplified grammar
 and often mixed vocabulary are entered under the
 heading Pidgin languages. Works discussing auxil-
 iary, sometimes mixed, languages used among groups
 having no other language in common are entered
 under the heading Lingua francas. Works discussing
 languages resulting from the intermingling of phono-
 logical, grammatical and/or lexical elements from
 different languages in areas of intensive language
 contact are entered under the heading Languages,
 Mixed.
